General terms

1 Introduction

1.1 Your agreement with us

These Terms form part of the agreement between you and us. The following also form part of our agreement:

- any mandate for your account;
- the charges tariff that applies to your account;
- the interest rate that applies to your account; and
- any overdraft agreement setting out the terms of your arranged overdraft.

Please ask if you need up-to-date copies of these Terms. You can also find them at natwest.com/terms

The Terms are split into two parts:

- General Terms (which apply to all accounts unless otherwise stated); and
- Account Specific Terms (which apply to particular accounts only).

If an Account Specific Term is inconsistent with a General Term, the Account Specific Term will apply.

1.2 The law that applies to your account

If your account is held at a branch in Scotland, Scots law applies and the Scottish courts have exclusive jurisdiction over any disputes between us. If your account is held at a branch elsewhere, English law applies and the English courts have exclusive jurisdiction over any disputes between us.

2 Use of accounts and giving us your instructions

2.1 Use of your business account

2.1.1 Your account must be used for business purposes only.

2.1.2 Deposit accounts must be used for business savings and not for receiving day to day payments, clearing cheques or paying in notes or bulk coinage. If we believe that you are using your deposit account for these purposes, we may refuse to accept payments into the account. Your account must not be used for an illegal purpose, which includes tax evasion, or for the deliberate exploitation of weaknesses in the tax laws that apply to you. Where the account is being used to hold client money, the Customer will conduct reasonable due diligence on its clients and its clients' beneficial owners (including in accordance with requirements set out in the Money Laundering Regulations, if applicable). The Customer will supply to the Bank immediately on request full due diligence details regarding any underlying client and/or any transaction details on an Account, including particulars of beneficial owners of the funds. Where beneficial owners are individuals, such particulars shall include full name, usual residential address, date of birth and related supporting documentation.

2.1.3 You confirm that you are in compliance with the sanctions laws and regulations of the United Kingdom (including, but not limited to, the requirements under the UK Maritime Services Prohibition and Oil Price Cap), and, where applicable, the sanctions laws and regulations of the European Union and/or United States of America ("**Sanctions**"). For the avoidance of doubt, you confirm that, where you are involved in activities that fall within the scope of the UK Maritime Services Prohibition and Oil Price Cap, the unit price of the Russian oil to be supplied or delivered, or being supplied or delivered, is or will be at or below the Price Cap (as defined in the applicable Office of Financial Sanctions Implementation licence).

As soon as reasonable practicable, you will:

- notify us where you know that you are, or reasonably suspect that you may be, no longer be compliant with Sanctions;
- provide us with any information reasonably requested by us to allow us to satisfy our Sanctions obligations; and
- provide any attestation, including but not limited to an attestation for the purposes of the UK Maritime Services Prohibition and Oil Price Cap, if reasonably requested by us.

2.2 Giving us your instructions

If they're given to us in accordance with the authority we hold for your account, we'll act on your instructions. You can give us instructions in a number of different ways including in writing, by cash machine, by telephone, online, using your mobile phone, by card or by any other means we tell you are available. This may include asking you to take extra steps (for example, entering a one-time passcode that we send you or using biometric data such as a fingerprint) to authorise transactions. Some online instructions may need to be made using your card with your card reader device.

You can also give instructions through third parties you've authorised to act on your behalf, for example third party providers (like account aggregator services).

Where you ask us to make a payment (including standing orders and other regular payment instructions set up on your account) and the intended payee has switched accounts using the Current Account Switch Service, we'll update the account details of the payee on your payment instruction.

2.3 Sending a CHAPS payment

2.3.1 CHAPS payment instructions are received ("Received") once we receive the instruction, rather than the point at which they are sent by you. If your CHAPS instruction is Received:

- (a) before the published cut off time, it will be processed on the same business day;
- (a) after the notified cut off time or on a non business day, it will be processed at the start of the next business day.

For a CHAPS future dated payment the instruction will be treated as Received and will be processed at the start of the business day that the payment is due to be made.

2.3.2 Once we have carried out our checks and are satisfied that you have sufficient funds in your account the instruction is approved and accepted ("Acceptance") and your payment will be submitted into the CHAPS system. This submission will happen on the sooner of 90 minutes from Receipt or 60 minutes from Acceptance.

2.3.3 Your account will be debited on the same business day it's Accepted for payment. Your Balance including pending items and arranged Overdraft remaining (if one is set up on the account) will be reduced by the amount of the CHAPS payment immediately.

2.3.4 The CHAPS payment will be sent that business day to the payee's bank or provider for payment in accordance with that bank or provider's terms of business.

2.4 International payments

Foreign currency conversion in relation to booked payments

2.4.1 When you make or receive a booked payment in a Core Currency, you appoint and authorise us, on your behalf as agent, to enter into a foreign currency conversion transaction with NatWest Markets under the NWM Terms of Business in relation to that booked payment.

This means that you will be in a direct legal relationship with NatWest Markets under the NWM Terms of Business, and NatWest Markets will be responsible for the foreign currency conversion and delivery to us of the required foreign currency.

2.4.2 When executing a booked payment in a Core Currency, we will transfer funds out of your account (or in the case of a received booked payment, out of the funds received) to NatWest Markets, and NatWest Markets will be under an obligation, in accordance with the NWM Terms of Business, to transfer the corresponding amount of the foreign currency to fund the booked payment (or, in the case of a received booked payment, to fund the credit to your account). We will still be responsible for the settlement of your funds to the beneficiary account once we have received the converted foreign currency funds from NatWest Markets.

2.4.3 The exchange rate applied to a booked payment in a Core Currency under the foreign conversion will be based on a rate provided by NatWest Markets, in accordance with the NWM Terms of Business, adjusted to build in a margin, part of which margin will be paid back to us by NatWest Markets.

Foreign currency conversion in relation to non-booked payments

2.4.4 Except where the payment is a booked payment:

2.4.4.1 When you make a payment in a Non-Core Currency from your Sterling, US Dollar or Euro account:

- (a) the exchange rate applied to that payment under the foreign currency conversion will be based on a rate provided by our third-party supplier, adjusted to build in a margin which will be retained by us; and
- (b) our third-party supplier who has provided the rate will also facilitate that payment on our behalf.

- 2.4.4.2** When you make any other payment in a foreign currency, our exchange rates are based on our prevailing rate at the date and time that a foreign currency payment is processed. Before you make a payment, you can ask us to tell you the actual exchange rate that will be applied to the payment and we'll provide or make available this information where it's possible. If we're unable to tell you the actual exchange rate before the payment is processed, we'll provide it or make it available to you as soon as we reasonably can afterwards.
- 2.4.5** When you receive a payment in a currency that is not the same currency as your account, the exchange rate applied by us before the payment is credited to your account will be based on our exchange rate at the date and time that the foreign currency is processed. Once the payment has been processed, as soon as we reasonably can afterwards, we will provide or make available to you the payment information including the exchange rate applied.
- 2.4.6** Our reference exchange rates for all available currencies are published at <https://www.natwest.com/> (search for "Commercial Exchange Rates"). These are indicative rates only and are published for reference purposes.
- 2.4.7** We may change our exchange rates immediately and without notice where such changes reflect a change in the reference exchange rate or where the change is more favourable to you.
- 2.4.8** If you raise an investigation in relation to a payment under this Clause 2.4 (other than a booked payment), the fees applied are below plus any applicable overseas bank charges and foreign exchange.

Less than 6 months	6–12 months	Over 1 year
£25	£50	£100

Terms that apply to all international payments

- 2.4.9** You are responsible for the accuracy of the payment instructions given to us and must ensure all payment instructions given contain, as appropriate, the payee's name, account number, bank details and any other information as required by us. If this information is not provided, or is incorrect, incomplete or illegible:
- (a) we reserve the right to refuse to make the payment and will notify you of this; or
 - (b) we may send the payment instruction using a different product, where different charging methods and charges will apply; and
 - (c) may result in delay, loss or further charges where we seek to recover the payment.
- Details of these charges are set out in our charges tariff.
- We are not responsible for checking the accuracy of the payment instructions you give to us including the payee's name, account number, bank details and any other information we may require.
- 2.4.10** Notwithstanding section 16 of these Terms, in order to make payment through the banking payments system we may need to transfer relevant personal information to third parties. This may mean that such personal information will be transferred to countries which do not provide the same level of protection for your personal information as the UK. You agree to this and confirm you are authorised to instruct us to transfer personal information relating to other individuals named. Information transferred to these third parties may subsequently be accessed and used by law enforcement agencies and other authorities to prevent and detect crime and comply with legal obligations.
- 2.4.11** We will normally send all payments to the payee in the local currency of the destination country unless expressly instructed by you otherwise when making the payment instruction. If a conversion is required to complete a transaction, our chosen bank, or the payee's bank, may convert the payment at their market rate into local currency. Please be aware that some currencies are restricted, and that in some instances the payment may be sent in the preferred currency of the destination country, e.g. GBP, EUR or US\$. Any currency conversion will be undertaken in the manner set out in these Terms. In order to make a payment we may use any payment or clearing system or intermediary bank we reasonably select. We will act in accordance with the rules and regulations from time to time of such payment or clearing system.

2.5 Delaying or refusing to act on your instructions

We'll always follow your instructions (including to pay in cash or cheques or to withdraw cash), unless:

- we reasonably believe that you didn't give the instruction;
- we reasonably suspect the instruction is for an illegal purpose;

- we reasonably suspect your instruction is connected to a scam, fraud or any other crime, or we reasonably suspect that your instruction is of a type where there is a high risk of there being such a connection;
- your instructions are unclear or incomplete or inaccurate or you have not supplied the information (mandatory or recommended) to process your payment instruction;
- we reasonably suspect that following your instruction may mean that we breach a law or regulation with which we must comply or may expose us to action from a government, regulator or law enforcement agency;
- you request an unarranged overdraft and we decide not to accept your request;
- a restriction which applies to your account prevents us from following your instruction (for example, the instruction exceeds the daily payment limits or any deposit limits set on your account);
- we're told about a dispute between joint account holders (for example, partners on a partnership account) which means the account can't be used until the dispute is resolved;
- you've broken any term of our agreement in a serious way;
- your instruction appears unusual and we want to carry out further checks, such as contacting you for more information; or
- in relation to a booked payment, NatWest Markets does not hold sufficient funds with us in the relevant currency to make the foreign currency conversion.

If you'd like to understand why we didn't follow your instruction you can call your relationship manager or business manager or speak to a member of branch staff. If we can, we'll explain why we didn't follow your instruction, unless there's a legal or security reason which means we can't provide an explanation.

3 Paying money into your account

3.1 Electronic transfers

If we receive an electronic transfer by 6pm on a business day, the money will be available for you to use and will start earning credit interest (if payable) on the same day. Faster Payments will usually be credited to your account immediately on the day of receipt by us. We'll check the transaction and, if approved, any CHAPS payments will be credited to your account within 90 minutes on the business day of receipt by us.

Payments received after 6pm will be available to use immediately and will start earning credit interest (if payable) on the next business day. We may not accept and credit an electronic payment to your account if we reasonably suspect that:

- it's fraudulent or related to other criminal activity on your account; or
- accepting it might cause us to breach a law or regulation that we must comply with.

3.2 Transfers between your foreign currency accounts

If we receive an instruction from you to transfer money in different currencies between foreign currency accounts you hold with us, the money will be available for you to use and will start earning credit interest (if payable) within two business days from the date of conversion from one currency to another.

3.3 Cash

Sterling cash will be available for you to use and will start earning credit interest (if payable) at different times depending on how and when the cash is paid into your account:

How is the cash paid in?	When will the cash be available for use and start earning credit interest (if payable)?
Branch counter (within normal branch opening hours)	Same day
Cash and deposit machine before 3:30pm on a business day	Same day
Cash and deposit machine after 3:30pm or on a non-business day	Next business day
Post Office® counter using a barcoded bank giro credit	When we receive the cash from the Post Office® (normally two business days after you pay it in)
Night Safe	Next business day

3.4 Foreign currency notes

If you pay foreign currency notes into your foreign currency account, the foreign currency will be available for you to use and will start earning credit interest (if payable) at different times depending on how and when they are paid in:

How are the foreign currency notes paid in?	When will the foreign currency be available for use and start earning credit interest (if payable)?
Foreign currency notes in the same currency as the foreign currency account received by us before 3.30pm on a business day	Same day
Foreign currency notes in a currency other than the currency of the foreign currency account received by us before 3.30pm on a business day	Three business days after we receive it

Foreign currency notes can be paid in and withdrawn from your foreign currency account. Any charge for foreign currency note deposit and withdrawal may be taken from your account in Sterling or the currency of the foreign currency account. This charge may be disproportionate where small sums are involved. You can get further information about charges for these services from your branch or relationship manager at any time.

We may credit your foreign currency account before examining and counting foreign currency notes. If we identify that there's a discrepancy between the amount of foreign currency deposited and the amount shown on the bank giro credit (for example, if the deposit contains forged or fraudulent foreign currency notes), we'll adjust your balance so that it reflects the actual amount of foreign currency that was deposited and send you a letter confirming that we've made the adjustment.

3.5 Cheques

If a Sterling cheque from a UK bank or building society branch is paid into your account, we'll process the cheque using the Cheque Imaging process. We've explained how this works in the tables below:

Business day	What happens?
0	You pay the cheque into your account.
1	You'll start earning credit interest (if payable) on the amount of the cheque. The money is available for you to use but may be removed if the bank or building society of the person who is making the payment to you decides not to pay the cheque. If they decide not to pay the cheque, they'll normally explain the reason to you. After 23:59 the bank or building society of the person making the payment to you can't reclaim the payment (unless fraud is suspected).
If a Sterling cheque is paid into your account after 3.30pm on a business day or on a non-business day , the process will begin on the next business day. <i>(For example, if you pay a cheque into your account at 4pm on Friday, it will be treated as being received on Monday and it will be available for you to use on Tuesday.)</i>	
If a Sterling cheque is paid into your account at a Post Office® , the process will begin when we receive the cheque from the Post Office (normally two business days after you pay it in). If paid in at a Post Office, cheques and cash must be paid in using separate barcoded pay-in slips. A charge will be applicable for each type of deposit, in line with your tariff. <i>(For example, if you pay the cheque into the Post Office on Friday, we'll normally receive the cheque on Tuesday and it will be available for you to use on Wednesday.)</i>	
If a Sterling cheque is paid into your account at certain Highlands and Islands branches the process will begin when we receive the cheque from the branch (normally one business day after you pay it in). <i>(For example, if you pay the cheque into one of these branches on Friday, we'll normally receive the cheque on Monday and it will be available for you to use on Tuesday.)</i>	

There may occasionally be legal reasons or limited circumstances beyond our control which stop us from receiving the cheque or cause delays to these time periods.

Cheques not issued by a bank or building society branch based in the UK and foreign currency cheques follow a different process and will usually take longer than these timescales.

Where you have arranged for your own cheques to be printed by third party printers you will need Image Survivable Features (ISF) printed on those cheques. ISFs are payment security features as advised by your third party cheque printer. We reserve the right, but without obligation on us, to refuse to process cheques that do not contain ISFs or contain ISFs that cannot be read, or decrypted, or otherwise processed for any technical reason. Any failure to include ISFs on your cheques which we then process may adversely affect your liability.

Where you have arranged for your own ISF cheques to be printed by a third-party printer either:

- (a) following any refusal of service; or
- (b) as a change in supplier from a previous third-party printer

you must tell us, in writing, three weeks before the date you plan to begin issuing ISF compliant cheques so that your cheques can be accepted. You will need to include the serial number of the first compliant cheque you will issue. You will need your printer's confirmation that their ISF solution is integrated into NatWest Group's fraud detection systems. If you do not, then we may refuse to pay your third-party ISF printed cheque.

If you are a new user of specially printed cheques, you must submit cheque samples to us for approval, which must contain ISFs. Your special cheque provider will advise you of the steps required.

3.6 Night Safe Facility

The container(s) must always be used when monies are deposited in the night safe, and it is understood that containers are deposited in the night safe solely at the customer's risk.

The customer will be responsible for the **strict control** of containers, keys, punches and seals, which shall remain the property of the Bank, ensuring that they are exclusively used by either himself/herself or his/her agent(s).

4 Payment of interest

We'll pay interest on money in your account if it's a credit interest bearing account. We'll set the rate for your account and will inform you of that rate when you open your account. You can request details of your current interest rate at any time.

Interest will be calculated daily, usually based on a 365-day year. If you have a foreign currency account, interest may be calculated on a 360-day year depending on the market practice of the currency concerned.

Interest will be paid into your account monthly, quarterly or annually depending on the type of account you hold. Please see the account specific terms for more details on when and how interest will be applied.

We reserve the right to charge you a negative rate of interest. If we intend to charge negative interest, we'll always give you notice in accordance with General Term 13.3.

If you have a foreign currency account, interest may not be paid during periods of currency instability.

5 Keeping your account safe and limiting the use of your account

5.1 What you need to do to keep your account safe

You must:

- take all reasonable steps to keep all your security details safe (including your card PIN and any passwords or log-in details for telephone, mobile or online banking). This means that you must not give these details to any person who is not authorised by you;
- sign your card as soon as you receive it;
- keep your card secure at all times and not let anyone else use it;
- when you're logged on to online or mobile banking, not leave the device (for example, the mobile phone or computer) you're using unattended and you must make sure that any information stored or displayed on your device is kept secure;
- be aware that if you give your online banking password and log in details to a third party provider, we're not responsible for what they do with your details or account information; and
- make sure your card details are put into and only used through merchant booking tools which offer appropriate security in accordance with payment card industry – data security standards and appropriate protection for data in accordance with the general data protection regulation.

We'll never ask you to disclose your full security details to us or to any other person or organisation. Even if the person requesting your details is using our name and logo and appears to be genuine, you must not share your details with them.

Some third party providers might ask you for your online banking log in details and password to provide their service to you. If you decide to give them this information, this means that they'll be able to see and do anything you can on your accounts.

5.2 What you need to do if you think someone knows your security details or you've lost your card

- If your card is lost, stolen or misused and, you think that someone else might know your card or security details or if you suspect that someone may have used your account without your permission, please tell us immediately by contacting your branch or by calling **0370 6000 459**, (**18001 0370 6000 459** for Relay UK) (or **+44 1268 500 813** from outside the UK).
- If you suspect that an unauthorised or incorrect payment has been made from your account, please tell us immediately by calling **0345 711 4477**, (**18001 0345 711 4477** for Relay UK) (or **+44 345 711 4477** from outside the UK) or contacting your branch.

If you can't call us or visit your branch, you must immediately write to your account holding branch or, in the case of a lost, stolen or misused card, write to us at NatWest Card Loss Centre, PO Box 700, Central House, Otley Road, Harrogate, North Yorkshire, HG3 1XH.

5.3 Limiting the use of your account or our services

We may suspend or restrict the use of your accounts or certain services (such as your card or online banking) if:

- we reasonably believe that your security details or card details haven't been kept safe;
- we reasonably suspect that your security details or your card have been used fraudulently or without your permission;
- as a result of a change in the way you operate your account or in your financial circumstances, we reasonably believe that you may have difficulty in meeting your commitments;
- we reasonably believe it's appropriate in order to protect your account;
- you've broken in a serious way any term of this agreement or any other agreement you have with us;
- you give us any false or materially misleading information;
- we reasonably suspect that your account or any other account you hold with us (or another member of NatWest Group) has been, is being or is likely to be used for an illegal purpose;
- we reasonably suspect you're involved in fraud or other criminal activity; or
- we reasonably believe that continuing to provide access to your account or to certain services would mean that we breach a law or regulation that we must comply with.

We will explain our reasons for taking any of these steps, unless we're unable to contact you or there's a legal or security reason which means we can't provide an explanation.

5.4 Payment limits

We may apply limits to payments to and from your account – for example, to the amount of cash you pay in or withdraw, or to payment types where there is a high risk of fraud, scams or other crimes. We monitor these limits, may change them over time and will make information on them available to you, unless there is a security reason that prevents us from doing so.

5.5 Notifying you of concerns

We'll do our best to contact you if we have any concerns about the activity on your account (such as any unusual transactions that we notice).

5.6 If we suspect or become aware that your account may be subject to fraud or security threats, we'll contact you via the most recent details we hold on record for you. This may include your mobile number, landline number, postal address or email address.

We'll never:

- Phone you to ask for your four-digit card PIN or your online banking password, even by tapping them into the telephone keypad.
- Ask you to withdraw money to hand over to us for safe-keeping.
- Ask you to transfer money to a new account for fraud reasons, even if we say it's in your name.
- Send someone to your premises to collect your cash, PIN, payment card or cheque book if you're a victim of fraud.
- Ask you to purchase goods using your card and then hand them over for safe-keeping.

6 Communications, statements and payment advices

6.1 How we'll contact you

We'll contact you and provide communications to you (which will be in English) by any of the following means:

- post;
- phone;
- email to the email address you gave us;
- secure message to online banking;
- text message to the mobile phone number you gave us;

6.2 Statements

Unless we agree otherwise, we'll provide you with, or make available, statements at least every month, save where you have not made any new payment transactions from your account since your last statement. If you are not a protected customer, you agree that Regulations 53 and 54 of the Payment Services Regulations 2017, which set out requirements in relation to bank statements, shall not apply to this agreement. We make electronic PDF statements available for you to download from online banking. PDF electronic statements are not currently available on Bankline, the Bankline Mobile App or the Mobile Banking App. We will let you know if this changes. Your bank account transaction history can be viewed on all of these channels.

6.3 Payment Advices

Unless we agree otherwise, we'll provide or make available to you payment advice information once your payment has been credited or debited from your selected account.

6.4 Contact details

If your contact details change, you should tell us as soon as you can to ensure you receive our communications.

7 Taking money out of your account

7.1 Withdrawals and payments

You can make payments or withdrawals if the Balance including pending items and arranged overdraft remaining (if one is set up on the account) is sufficient and subject to any limits which may apply from time to time. Unless we have stated otherwise, we'll decide if your Balance including pending items (and any arranged overdraft you may have on the account) is sufficient to cover the payment at 2.30pm on each business day.

You can withdraw cash from cash machines up to the daily cash withdrawal limit. This limit applies to withdrawals inside and outside the UK and we may change it from time to time.

You may make withdrawals from a deposit account at the account holding branch. We may allow you to make withdrawals from another branch if you've submitted a written request to do so to your account holding branch.

7.2 About your card

Each card will display the name of the cardholder. You may only use the card issued in your name. We may disclose information to any cardholder. This information will include, but won't be restricted to, details of your account.

If a cardholder is removed from the mandate we hold for your account, we will cancel their card. When we send you a replacement card, we may issue it under a different card scheme (for example, Visa or Mastercard).

We may also enrol your replacement card with that card scheme's automatic updater service, which will securely update the details of your former card that are saved with a merchant to save you from individually updating the details with every merchant.

Some services let you create a digital copy of your card (for example, by adding your card to your mobile device to make contactless mobile payments or by saving your card details online to let you make payments more quickly). If you use your card in this way, any payments will be treated as if you used the physical card.

We own any card or other payment instrument issued by us, and, you are not entitled to alter or modify the card or other payment instrument, yourself or through a third party, in any way. If we ask, you must return a cancelled card or other payment instrument.

7.3 Cheques

You must not issue future dated cheques. If you do and a cheque is presented for payment, we may pay it before the specified date.

Foreign currency cheques are payable in the UK but may not be acceptable to overseas payees because of collection charges imposed by their own bank and delays in international clearing.

7.4 Charges for using your card

Sometimes we'll charge you fees for using your card in addition to any service charges that apply to the transaction.

We've explained these fees and when they'll be charged below, but this doesn't include any fees a third party might charge you (for example, a cash machine fee).

Transaction type	Charges
<p>Cash withdrawals in a foreign currency;</p> <p>Inside the UK:</p> <ul style="list-style-type: none">• from a cash machine <p>Outside the UK:</p> <ul style="list-style-type: none">• from a cash machine;• purchase of currency;• purchase of travellers' cheques <p>Inside or outside the UK:</p> <p>Payments made in a foreign currency</p> <p><i>For example, purchase of goods in a shop while you are travelling, which includes any cashback requested as part of the purchase, and online/telephone purchases.</i></p>	<ul style="list-style-type: none">• Non-Sterling Transaction Fee of 2.75% of the value of the transaction. (If you ask for the transaction to be converted into pounds Sterling at the point of sale or withdrawal, we won't charge a Non-Sterling Transaction Fee however, the transaction handler may charge you a separate fee.)

Where a fee is shown as a percentage, this means a percentage of the value of the transaction in Sterling.

We'll convert any payment made in a foreign currency using your card into Sterling using the Payment Scheme Exchange Rate (the rate provided by Visa, Mastercard or any other payment scheme) at the time the payment is taken from your account. If you'd like to see the most up-to-date exchange rates you can visit the website of the payment scheme shown on your card (for example, Mastercard or Visa). If you'd like to view our currency conversion charge with reference to the daily rate which is issued by the European Central Bank (ECB), you can visit business.natwest.com/usingmycardabroad.

The figures displayed on that page change daily and are simply to help you compare our fees with other banks across Europe.

The Bank and the customer agree that as the customer is a business customer (and not a consumer) that for each debit card linked to the same account the Bank will **not**, after the payment is made, send to the payer an electronic message with the above currency reference information. This is because the customer is instead able to access currency reference rate information at business.natwest.com/usingmycardabroad.

7.5 Timescales for making card payments

We'll only take a card payment from your account when we receive the request from the payee's bank. This means there may be a delay between using your card to make a purchase and the payment being taken from your account. We'll take the payment from your account within one business day of receiving the request for payment.

If you claim a refund from a payee, we'll credit the amount of the refund to your account when we've been notified of the refund by the payee.

7.6 Timescales for making other payments

Where you instruct us to make a payment, you authorise us to use any payment or clearing system or intermediary bank that we may reasonably select.

Where a payment is made in Sterling and within the UK, we may use the Faster Payments Service which will mean that the money is added to the payee's account immediately. In limited circumstances (for example, we suspect fraud) the payment may take longer to reach the payee's account.

If the payment is to be made within the UK or, in some circumstances, SEPA and we don't use the Faster Payments Service, then the following timescales will apply:

Type of payment	When will the payment reach the payee's account following receipt of your instruction?
Sterling electronic payment to a UK based account received before 3:30pm on a business day.	By the end of the next business day.
Euro electronic SEPA payment to a UK or other SEPA based account received before 2:00pm on a business day.	Same day.
Euro electronic international transfer to a non-UK account (with valid BIC & IBAN) received before 1:30 pm on a business day.	Same Day or 1-2 days depending on the country destination.
Electronic international transfer in a currency other than euro to a non-UK account (without valid BIC & IBAN) received before 4:00 pm on a business day.	Same day or 1-2 days depending on the country destination.
Sterling paper-based payment (for example, a giro payment) to a UK based account or Euro paper-based payment to a UK or EEA based account received before 3:30pm on a business day.	By the end of the second business day.
Sterling electronic payment to a UK based account or Euro electronic SEPA payment to a UK or EEA based account made in connection with a Notice Account Withdrawal Form on a Liquidity Manager Notice/ Liquidity Select Notice Account.	By the end of the business day following the end of the notice period that applies to the account.
All other payments to an account in the UK received before 3:30pm on a business day.	By the end of the fourth business day.

Payment instructions received after cut-off times will be treated as received the next business day and the payment will reach the payee account a business day later than set out in this table.

Different timescales apply to payments outside the UK and SEPA and to payments which require different currency conversions. We can provide further information at your request.

7.7 Cancellation of a payment

We can't stop a payment you've asked us to make unless it's made by a cheque, standing order, Direct Debit or future dated payment.

To stop a cheque or cancel a standing order, Direct Debit or future dated payment, you should contact your branch, your Relationship Manager or telephone banking. To cancel these payments you must tell us at least one business day before the payment is due to be made, or in the case of a cheque, presented for payment.

You can also cancel a standing order or Direct Debit through online banking. Payments can't be stopped after they have been processed.

We may cancel any standing order or Direct Debit on your account if it's unpaid on more than one occasion and we reasonably believe that the balance on your account is unlikely to be sufficient to meet future payments.

7.8 Return of a payment

If a payment you've instructed is returned, it'll be paid back into the account you made the payment from. If the amount returned is not in the same currency as your account, it'll be converted at the reference exchange rate applicable at the date and time that it's paid into your account. This means that the amount that's paid into your account may be more or less than the amount of the original payment instruction.

7.9 Paying charges from your account

Any charges you incur (including your service charge) will be taken directly from your account unless we agree otherwise.

7.10 Tax

If you owe tax (or other charges) to an authority in connection with your account, we may take this payment from your account.

7.11 Using money in your account to repay money you owe us

If you've borrowed money from us (for example, through a loan, credit or charge card or overdraft) and the money is overdue for payment, we may take money from your account to repay some or all of the money you owe us (including any fees or interest). This is called "set-off". We may also do this even if you don't have enough money in your account and it becomes overdrawn as a result.

We'll never set off a debt on your account against money held in an account that you hold with someone else.

We may set off any money we owe you (for example, as a refund or compensation or to settle a complaint you've made against us) to repay or reduce any money you owe us which is overdue for payment. If you have claimed a refund from us for a payment that you have understood to have been made from your account in error (for example, a Direct Debit or other similar recurring payment collection) and our investigations conclude that you were not entitled to that refund, we may reverse the refund and take this payment from your account. If a payment is being made to you and we credit your account with the payment before we have received the funds from the payer's bank or provider or any agent used by the payer's bank or provider and the funds are not subsequently received by us then we may reverse the crediting of this payment and take it from your account.

8 What happens when something goes wrong?

8.1 What to do if an incorrect or unauthorised payment is taken from your account

If you suspect that an incorrect or unauthorised payment has been made from your account, you must contact us as soon as possible by calling **0345 711 4477 (18001 0345 711 4477 for Relay UK)** (or **+44 345 711 4477** from outside the UK) or contacting your account holding branch or Relationship Manager.

If you don't contact us within 13 months of the payment being taken from your account, you may not be entitled to a refund.

8.2 What we'll do if you tell us about an incorrect or late payment

The sort code and account number of an account identifies it, not the name of the account.

If you give us incorrect payment details (for example, the wrong sort code or account number) then, once you've told us, we'll make reasonable efforts to recover your payment for you but we may not be able to recover the payment and we may charge you a fee for trying to recover it. If we're unable to recover the payment we won't refund you. If the payment has been received by the payee's bank you should contact them for a refund. If you write to us we'll provide you relevant information regarding the payment to help you recover it.

If we make a payment which was our error, we'll refund you (including any charges or interest which you've paid as a result of the payment being taken).

If we make or credit a payment later than we said we would, then we'll put your account back in the position it would have been had we not made the error. You can also ask us to contact the other bank and ask them to correct the amount of interest on their customer's account.

If an error is made in a Sterling Direct Debit, you'll be entitled to a refund from the payee or from us. This is known as the Direct Debit Guarantee. For more information please see directdebit.co.uk. Where the error is made in a Euro Direct Debit, you may have further rights under the Single Euro Payments Area (SEPA) Direct Debit Scheme.

8.3 What we'll do if the payer's bank tells us about an incorrect payment

We may take a payment from your account if the payer's bank tells us that this payment was sent to you incorrectly. If this happens we'll hold the money and contact you to tell you what's happened. We'll ask you to confirm if the payment was sent to you incorrectly. If the payment was sent incorrectly then we'll return it to the payer. If you tell us that the payment was not sent incorrectly then we'll return the money to you but we may have to pass your contact details on to the payer's bank. If we can't get in touch with you within 15 business days, then we'll return the payment to the payer. If the payment is a CHAPs payment, then we'll ask you before we take the money payment from your account.

In cases where funds have been received by you due to a system error (for example, duplication of payment), then we'll have an automatic right to debit your account.

8.4 What we'll do if you tell us about an unauthorised payment

If an unauthorised payment has been taken from your account (which means someone else made the payment without your permission), you should tell us as soon as possible so that we can take steps to protect your account. You may be entitled to a refund – this will depend on a number of factors (including whether or not you're a protected customer

or if the payment meant your account became overdrawn). We'll assess whether you're a protected customer when you tell us about an unauthorised payment. In this table we refer to payment details – this includes your debit card, debit card details and your security details.

What happened?	Will we refund you?	
	If you're a protected customer	If you're not a protected customer?
You acted fraudulently	We won't refund you in any circumstances.	We won't refund you in any circumstances.
An unauthorised payment was taken from your account before you received your payment details.	We'll refund you (including any charges or overdraft interest you've paid as a result of the payment being taken).	We'll refund you (including any charges or overdraft interest you've paid as a result of the payment being taken).
Your payment details were lost or stolen.	We'll refund all unauthorised payments but we may hold you responsible for the first £35 if we believe you should have been aware that your payment details were lost or stolen.	We won't refund you for any unauthorised payments if you fail to tell us about the loss or theft without delay.
You've authorised another person to use your account.	We'll only refund you for unauthorised payments made after you contact us.	We won't refund you for any unauthorised payments.
You intentionally or with gross negligence failed to: <ul style="list-style-type: none"> • Use your payment details in accordance with these Terms (for example, you didn't take reasonable steps to keep your payment details safe); or • Tell us as soon as you became aware that your payment details were lost or stolen or that an unauthorised payment was taken from your account. 	We won't refund you for any unauthorised payments that were made before you notified us, unless (i) you're a sole trader or partnership of three or less partners and (ii) any part of the unauthorised payment created an overdraft on your account. If that happens, we can hold you responsible for the first £35 but will refund the rest of the overdrawn balance (including any charges or overdraft interest you've paid as a result of the payment being taken).	We won't refund you for any unauthorised payments.

If you're entitled to a refund, you'll be refunded by the end of the business day after you told us that an unauthorised payment had been taken from your account. We may take longer to refund you if:

- the unauthorised payment took place more than 13 months before you notify us; or
- we reasonably suspect that you're not entitled to a refund.

8.5 Payments processed without you agreeing the amount

Where a payment is requested by or through the payee (for example, a card payment or a Direct Debit) and you authorise it without knowing how much the final payment will be (for example, when hiring a car or booking a hotel room), then you can ask for a refund provided:

- you didn't know the exact amount of the payment when you authorised it;
- the amount of the payment exceeded what you could reasonably have expected to pay (excluding increases resulting from exchange rate fluctuations);
- the payment was made either (i) in the case of a Euro SEPA payment, to a payee in the UK or the EEA, or (ii) in the case of all other payments, to a payee in the UK; and
- you ask for a refund within eight weeks of the date the payment left your account.

We may ask you for additional information to decide whether you should be refunded. We'll refund you, or explain why we're refusing the refund, within 10 business days of your request for a refund or (if we've asked you for additional information) within 10 business days of us receiving that information.

8.6 Loss not caused by an incorrect payment, unauthorised payment or payment processed without you agreeing the amount

We won't be responsible for any losses caused by circumstances beyond our control as the situation was abnormal or unforeseeable (for example, due to extreme weather, terrorist activity or industrial action).

We won't be responsible for any losses caused if we delay or refuse to process a payment, close your account or limit the use of your account or services:

- as a result of checks carried out as part of the proper operation of our payment processing systems; or
- as a result of actions of any payment schemes to the extent they are outside of our reasonable control including clearing and settlement systems or central banks; or
- where we reasonably believe it's prudent to do so in order to prevent a crime or comply with laws or regulations; or
- for a reason we give in these Terms; or
- where you have broken in a serious way any of these Terms; or
- where a payment instruction is ambiguous, incomplete or inaccurate or you have not provided information (mandatory or recommended).

We won't be responsible for any indirect loss.

8.7 Responsibility in relation to booked payments

We won't be responsible for any acts or omissions of NatWest Markets under the NWM Terms of Business. Please note for your information:

- NatWest Markets' responsibility will be limited to that provided for in the NWM Terms of Business; and
- NatWest Markets won't be responsible for any of our acts or omissions under these Terms.

9 Service charge

9.1 Business tariffs

We may charge you fees when you use your account. The charges for the day to day running of your account make up your service charge. If they're payable on your account, you'll receive details of your service charge tariff when you open your account.

If we are providing you with a period of free banking or not charging you a service charge, we'll always give you at least 60 days' notice of the service charge tariff that will apply to your account before you start to incur fees.

9.2 When a service charge will be taken from your account

If a service charge is payable on your account, it will be taken from your account on the last business day of the month following the month (or quarter) in which the fees that make up the service charge were incurred.

Examples of when your service charge is taken

If you have a	monthly charging period	and you withdraw money from your account in September , the fee for that transaction will be taken from your account on	the last business day of October
	quarterly charging period		the last business day of December

We'll tell you at least 14 days' before we take a service charge from your account.

Please note, for payments received from outside of the UK or in a currency other than Sterling, the fee for each transaction will be deducted immediately from the amount that we pay into your account.

10 Overdrafts and unpaid transactions

10.1 Arranged overdrafts

Arranged overdrafts are available on request on the Business Current Account, the Business Currency Current Account and the Business Currency Extra Account if you satisfy our lending criteria.

If we provide you with an arranged overdraft, we'll send you an overdraft agreement setting out its terms.

10.2 Unarranged overdrafts

If you give us an instruction which would result in:

- your account becoming overdrawn (or further overdrawn) without an arranged overdraft; or
- your arranged overdraft limit being exceeded,

we'll treat this as a request for an unarranged overdraft.

To decide if your instruction would create an unarranged overdraft, we'll only consider the balance including pending items and arranged overdraft remaining (if one is set up on the account).

We'll decide whether or not to accept your request for an unarranged overdraft, taking your financial circumstances into account. If we allow an unarranged overdraft to be created, this doesn't mean that your arranged overdraft limit has been changed or that we must make any future payment which would have the same effect.

We may take overdraft interest or any of our fees from your account even if this creates or increases an unarranged overdraft.

Unarranged overdrafts are repayable on demand which means we can request that you repay them at any time.

If you have a foreign currency account and we demand repayment of your unarranged overdraft, we may convert the balance into Sterling if the amount demanded is in another currency. Any conversion will be made using our prevailing rate at the date and time of the conversion.

10.3 Unarranged overdraft interest

If your current account or foreign currency account is overdrawn without an arranged overdraft or you have exceeded your arranged overdraft, you'll be charged unarranged overdraft interest as follows:

If your account is a:	Unarranged overdraft interest will be charged:
current account:	at the nominal annual rate of 15% (unless we agree otherwise).
foreign currency account:	at the relevant unarranged borrowing rate set out in the interest rates sheet for your account.

We'll not charge interest on any part of the unarranged overdraft that represents:

- a Paid Referral Fee or an Unpaid Item Fee; or
- a sum that's payable to us because you've broken a term of this agreement.

10.4 Unarranged overdraft fees

If you make a request for an unarranged overdraft on your current account, you'll normally have to pay a Paid Referral Fee or an Unpaid Item Fee:

Fee	Amount	What is it?	Maximum monthly charge
Paid Referral Fee	£20	You may have to pay a Paid Referral Fee if you make a request for an unarranged overdraft and we decide to make the payment.	You'll never be charged more than one fee each day and no more than five fees in a monthly charging period (£100).
Unpaid Item Fee	£12	You may have to pay an Unpaid Item Fee if you make a request for an unarranged overdraft and we decide not to make the payment.	You'll never be charged more than five fees in a monthly charging period (£60).

10.5 When unarranged overdraft interest and fees will be taken from your account

If your account is a:	Unarranged overdraft interest will be taken from your account:
current account:	quarterly on the last business day of March, June, September and December.
foreign currency account:	quarterly in March, June, September and December.

Any unarranged overdraft fees will be taken from your account on the last business day of the month following the month in which it was incurred (for example, if we decide not to make a payment from your account in September, the Unpaid Item Fee will be taken from your account on the last business day of October).

We'll always give you at least 14 days' notice of how much we're going to charge you and when.

10.6 Other costs

You're responsible for paying any costs we reasonably incur to obtain repayment of your overdraft (for example, court fees).

10.7 Repaying or reducing an overdraft

If your account is overdrawn, any money paid into your account will be applied in the following order:

- in repaying or reducing any part of the overdrawn balance which represents a Paid Referral Fee or an Unpaid Item Fee;
- in repaying or reducing any remaining unarranged overdraft balance; and
- in repaying or reducing any arranged overdraft balance.
